

GULF IR Meeting

Renal Dialysis and Access Challenges

MORINIG SESSION (08:30 AM - 12:00 PM)

Time	Topic	Speaker
08:00 - 08:30 am	Registration	
08:30 - 08:40 am	Welcome Address	
	SESSION ONE : Hemodialysis	
	Moderator : Dr Saif AL Zaabi	
08:40 - 08:55 am	ESRD and hemodialysis, IR experience and perspective, an overview	Dr Mahmod AL Hajriy (Oman)
08:55 - 09:10 am	Update on percutaneous AVF creation	Dr Yusuf AL Zahrani (KSA)
09:15 - 09:30 am	Endovascular salvage of dysfunctional AV fistula	Dr Mahmood AL Bahhar (KSA)
09:30 - 09:45 am	Dialysis graft/fistula Dec clotting, how I do it?	Dr Rashid AL Sukaiti (Oman)
09:45 - 10:00 am	Role of DCB and covered stents in dialysis fistula	Dr Husain (Kuwait)
10:00 - 10:15 am	Difficult venous access and unconventional access route	Dr Mohammed AL Ajmi (Oman)
10:15 - 10:30 am	Sharp recanalization of chronic central veins occlusion: technique, safety and efficacy	Dr Mustafa Fleet (KSA)
10:30 - 10:40 am	Questions	
10:40 - 11:00 am	TEA / COFFEE BREAK	
	SESSION TWO: Peritoneal Dialysis	
	Moderator: Dr. Adel A.M.H Ahmed	
11:00 - 11:15 am	The future of peritoneal dialysis	Dr Issa AL Salmi (Oman)
11:15 - 11:30 am	Percutaneous PD catheter insertion, how I do it and how to manage challenges and complications	DR Sawsan (Bahrain)
11:30 - 11:45 am	PD versus HD Nephrologist perspective	DR Khalifa AL Sheaili (Oman)
11:45 - 12:00 am	Questions	
12:00 : 02:30 pm	LINCH BREAK + PRAY	

AFTERNOON SESSION (02:15 - 05:00 PM)**A. Interesting and Challenging Cases: Round Table (IR doctors and Residents)**

Time	Topic	Speaker
	Moderator: Dr Sharif Al Arayedh	
02:15 - 02:45 pm	How to manage difficult and complex access (Surfacer technique/Hero) sponsored by company	GLE Company (Merit)
02:45 - 03:15 pm	Update on trials results on efficacy of CDB and covered stents in dialysis fistula... sponsored by company	Intramedica (BD)
03:15 - 03:45 pm	Case presentation	
03:45 - 04:15 pm	Case presentation	
04:15 - 04:45 pm	Case presentation	
04:45 - 05:00 pm	DISCUSSION	
05:00 - 05:15 pm	CLOSING REMARKS ALL (MAIN HALL)	

B. Radiographer / Nurses Program

Time	Topic	Speaker
	Moderator: Mahmood AL Abri, Intisar	
02:15 - 02:35 pm	Kidney Care Pioneers: Renal Nurses Leading Research	Dr Eilean Lazarus
02:35 - 02:55 pm	Vascular Access Challenges in Hemodialysis: The Interventional Radiology Perspective	Mrs Bushara Al Badwi
02:55 - 03:10 pm	IR Technologist's Role in Hemodialysis Access Procedures: Why Does a New School Matter?	Mr Ibraheem Al Jadaee
03:10 - 03:25 pm	From Emergency to Interventional Radiology: A Patient-Centered Pathway for Hemodialysis Access.	Mr Omar Al Saidi
03:30 - 03:45 pm	TEA / COFFEE BREAK	
	Moderator: Mahmood AL Abri, Intisar	
03:45 - 04:00 pm	Peritoneal Dialysis: Current concept and current trends.	Mrs Yusra Al Abdali
04:00 - 04:15 pm	Tunneled Dialysis catheter removal by radiology IR technologist: Issues to be discussed.	Mr Omran Bo Hulaiqa
04:15 - 04:30 pm	Renal biopsies from pathology perspective; identifying needs and challenges	Dr Afrah AL Rashdi
04:30 - 04:45 pm	Nursing Challenges and Quality Care in Dialysis Access	Mrs Fatma AL Hakmani
04:45 - 05:00 pm	DISCUSSION	
05:00 - 05:15 pm	CLOSING REMARKS ALL (MAIN HALL)
